NILES JUNIOR CHAMBER REVIVES INTEREST IN CANYON STATE PARK PLAN

Interest in creating a state park in the upper Niles Canyon area was definitely revived at Monday night's meeting of the Niles Junior Chamber of Commerce in the City of Florence Restaurant when Nicholas Bauer, president, and six members of the Federated Improvement club of Hayward attended the dinner and provided new enthusiasm for the project.

Mr. Bauer knocked in the head principal objection to creating such a park, namely: that it would injure the weekend business of existing canyon concessionaires. To the contrary, he pointed out, the greater the facilities for rcreation the greater the public's response, resulting in more business for everybody.

Mr. Bauer suggested that the Niles body act as a nucleus, enlisting the support first of the Niles Senior Chamber, then service clubs at Centerville and Niles, then the Pleasanton Junior Chamber of Commerce, then the Livermore Chamber.

With committees from these bodies working together, the Hayward Federated club, with its 16 allied organizations would throw its weight behind the activity, and our district supervisor, as well as the entire board of supervisors, would be asked to give their support to the plan.

—District Said Willing

According to unverified hearsay, the San Francisco Water District, which owns all the property along the canyon, would favorably entertain a request to donate sufficient land between Silver Springs and the Water Temple to provide ample parking, picnic, swimming and recreation grounds.

Another visiting speaker pointed out that there is not an acre of state park in Alameda County, the third largest county in the state. He said the state had managed to find money and more money for the purchase and preservation of the big Mt. Diablo state park in Contra Costa county, when pressure is applied, can no doubt find the means to finance the improvement of the proposed Niles Canyon State Park. The Federated club already has passed a resolution endorsing this project, the speaker said.

This new recreation area would prove of distinct value to all the Scouts of Alameda County, another visiting speaker stated.

Chairman Ed Enos appointed Dick Attinger chairman, Fred Duffie, Lewis Lewis and John Parry members of a Park committee instructed to attend the meeting of the Niles Chamber next Monday noon and enlist their support.

It was moved to ask Supervisor Hellwig also to attend next Monday's meeting in Niles.

Chairman Enos advised the 18 members and guests present that the Chamber would convene promptly at 6:30 p.m. each meeting night and would adjourn promptly at 9 o'clock.

—Called to Colors

He introduced his guest, Glen Morehead, a clerk at the Niles Postoffice who has been called to report for training next week.

Lewis reported on the Niles Scouts recent snow trip to Pine Crest, which was awarded them for winning, just prior thereto, a Township contest with eight points to spare. Letters of thanks were voted written to Scouters who provided cars for the memorable Sunday trip.

The chair announced that Bill Alameda, a new member of the board of directors had moved to Salinas, and appointed J. N. Viveiros to fill the vacancy. Editor Waynflete was thanked for his editorial support of Township civic organizations. Junior Chamber members who played softball in the township league last season were asked to return their sweaters to the Junior Chamber. This must be done before they can sign up to play for some other outfit this year, Softball Manager Al Silveria announced through Lewis.

DR. T. C. WILSON ELECTED NEW CHAMBER CHIEF

Directors, Officers Called To Meet This Evening At Water District Office

Dr. T. C. Wilson was elected and installed as new president of the Niles Chamber of Commerce at the luncheon meeting held Monday noon in the City of Florence Restaurant. A rising vote of thanks was given to retiring President George Bonde for two years of faithful service.

Other officers elected and installed were E. E. Dias, from second to first vice president; Walter Waynflete, new second vice president; R. A. Blacow re-elected treasurer and A. J. Petsche re-elected secretary.

The new board of directors consists of George Bonde, chairman; E. F. Glassbrook and E. A. Ellsworth, re-elected, and Arnold Bellini replacing Bill Helm.

The board of the officers were called to meet tonight (Friday) at 8 p.m. in the water district office, to formulate plans, the chief of which is to bring up the membership, for the current year.

Roland Bendel was invited to become a member and his chief, Mr. Gray spoke a few words.

A resolution endorsing the state's purchase of the San Mateo and Dumbarton bridges was defeated, on account of the loss of tax monies to the state, now being paid by the private bridge companies.

It was suggested that Supervisor George Hellwig be invited to attend a chamber luncheon meeting regularly once each month.

Officers of the Central Bank will attend next Monday's chamber meeting to discuss the Chamber's proposal that the bank at Niles remain open during the noon hour.

Thanks were given The Township Register for editorial support given the Niles Chamber and other Township civic bodies. Stewart McClure of the San Jose Mercury-Herald staff said his newspaper would be glad to publish the Niles Chamber's weekly proceedings if the secretary would furnish him with a carbon copy of the minutes.

Lt. Lester R. Dray Jr., son of Mr. and Mrs. L. R. Dray of the Niles Mission highway was transferred last week from Fort Benning, Georgia to Camp Wolters in Texas. He enjoyed a ten day furlough in New York and Washington before reporting in to his new station last weekend.

It was suggested that a room be reserved at the Hotel Claremont in Berkeley as a headquarters for the Niles Junior Chamber members who will attend the state convention May 1, 2 and 3. No action was taken.

Clarence Crane was asked by the chair to serve as chairman of a fire prevention committee in Niles.

NILES GRAMMAR SCHOOL BOASTS MANY TWINS

Five sets of twins are attending the Niles Grammar School. Fortunately most are brothers and sisters. This avoids giving the teachers too much of a headache trying to tell them apart. The twins include (back row, left to right) Earl and Eleanor Silva, Wanda and Wuanita Le Count and June and Jean Menzies. Front row (left to right) Shirley and Robert Pasch and Norman and Norma Pasch. —Tribune photo.

FAMOUS BULB SHOW TO OPEN HERE SATURDAY

ONE OF WEST'S NOTED SIGHTS WILL BRING THOUSANDS TO NILES

This Saturday afternoon marks the opening of the Tenth Annual Outdoor Bulb Show in the gardens of the California Nursery Company at Niles. The show, which will continue through the middle of April with a continuously changing color pageant of flowers, will feature over 450 varieties of bulbs in bloom. Over 100,000 blooms form a sea of color including anemones, ranunculus, wild tulips, grape hyacinths, rock garden bulbs in addition to the great number of daffodils which yearly steal the show.

Of special interest this year to gardeners from all over California will be the representative display of imported Holland tulips, which, at least until the European conflict is over, may be on display for the last time anywhere in this country. These were imported before the outbreak of war and are now almost a rarity in the United States.

As the show progresses the Dutch iris in a wide variety of types take the center, but bulbs alone are not the only attraction. Guests are treated to a guide conducted sighseeing bus tour of the 300 acre growing grounds where specimen trees, flowering trees in bloom, and shrubs in an endless variety are on display.

On weekends the "Old Adobe", original building which was the guest house in the days when this property was Rancho Arroyo de la Alameda and owned by the famous Vallejo family, is the center of entertainment provided by strolling singers in the early California manner.

Attracting increasing interest during the last few years of the bulb show has been the exhibit of flower arrangements staged each weekend at "Old Adobe".

First week visitors to the bulb show will find old favorites among daffodils to greet them as well as many new and different varieties just released from the test gardens. Many of the trumpet daffodils have bloomed earlier than usual this year because of the great amount of moisture. King Alfred is being run a close second in profuseness of bloom by Tresserve and Spring Glory.

Visitors to the bulb show this year will find an added attraction in the furnished display home soon to open in Old Adobe Village adjacent to the Nursery. The gardens of this home, sponsored by the Rotary Club of Niles, incorporate three popular ideas in landscape arrangement: the home orchard, an outdoor living room made private by tall growing shrubs, and a thickly planted cut flower garden.

Mrs. Annie Poutney of Hayward visited old time friends here for several days last week.

COUNTY GAINS 38,128 PERSONS DURING DECADE

With both Murray and Brooklyn Townships in Alameda County showing slight population decreases for the decade 1930-40, the county as a whole reported an increase of 38,128 persons for the decade, according to the 1940 census returns recently released.

Washington Township made a fair gain of 340 persons, the new total for this township being 13,051 residents.

The following are the figures, those for each township including both incorporated cities and unincorporated areas therein:

Township	1940	1930
Alameda	36,156	35,033
Brooklyn	146,533	146,938
Eden	43,691	31,897
Murray	5,502	6,082
Oakland	265,057	239,472
Pleasanton	2,921	2,750
Washington	13,051	12,711
County total	513,011	474,883

SEASONAL RAINFALL IS NOW 23.54 INCHES AT NILES S.P. DEPOT

What's that bright light shining outside? Why it's the sun! After umpty days of dark, wet weather old sol peeked out gloomily over Washington Township Tuesday, and decided to do a real job of it Wednesday.

Since last week's paper was published, reporting the arrival of 21.46 inches of rain here, this region has been blessed (?) with an additional 2.08 inches, upping the seasonal total to 23.54 inches. And that, in any language, is nearly two FEET of rainfall.

These figures are kindly provided by agent Harvey Braun, who maintains a weather bureau for the Southern Pacific Railway company at the Niles depot.

HEAR GOVERNOR

NEWARK — Three Newark people, James Colline, Ray Ruskofsky and Jessie Johnston were present at the reception given to the Democratic Precinct Workers at the Athens Club in Oakland, Friday evening, February 28. The main speaker was Governor Olson and Edward J. Flynn, National Democratic Party Chairman, who is in California this month for conferences with party leaders and county committee members.

CENTERVILLE — Miss Bonnie May of Oakland, formerly of Niles announces she has taken over the Cut-N-Curl Beauty Shop here.

"AMERICA FIRST" GROUPS FORMING IN CALIFORNIA

SAN FRANCISCO — Plans were announced here today for the organization of chapters of America First Committee in every city and town in the northern section of California, the organization work to be directed from headquarters at 57 Post stree San Francisco with John J. Taheny as executive secretary. General Robert E. Wood, U. S. A. retired, is national chairman of the committee.

The America First Committee, said Taheny, is dedicated to peace participation in the present war, and any measures which are likely to emroil the country in that war. For this reason it opposes aid to any foreign nation beyond the scope of the Neutrality Act. It opposes the Lend-Lease Bill. It believes that the United States Navy should be developed to maximum strength, and that a two-ocean navy is necessary. It believes that our surest gaurantee against involvement in war is a strong, well-equipped Army and Navy. It is opposed to the sending of American troops outside the Western Hemisphere, and to the weakening of our Navy by sale or transfer of war cessels to any foreign country.

In the expansion program, Taheny said, America First Committee was seeking volunteers to organize chapters in every part of Northern California. It invited all who believe in the principles of the organization to enroll as members by writing San Francisco headquarters and then being assigned to local chapters as they are formed. He further appealed for funds with which to carry on the work now being done and that must be done during the coming weeks.

"As the name of our organization signifies," said Taheny, "we are for America First. We invite the cooperation and aid of every American who believes in this principle."

— Talk, Act American! —

NEWARK CHURCHES

LENTEN DEVOTIONS CONTINUE AT ST. EDWARD'S CHURCH

During lent masses will be said each morning at seven o'clock with the exception of Thursday on which the day the mass is said at St. Anne's Church in Alvarado. Evening devotions continue, consisting of the stations of the cross, sermon, and benediction each Friday evening at eight o'clock at Newark, and on Wednesday at eight o'clock at St. Anne's Church in Alvarado. The attendance has been remarkably good in spite of the inclement weather. As the weather clears up it will no doubt increase the attendance at the masses and evening devotions.

The Catechism classes for the children at St. Edward's Catholic church are going on as usual.

* * *

A group of women of the Newark Presbyterian churches attended a Presbyterial meeting held at the Calvary Presbyterian church in San Francisco, Wednesday.

* * *

"China Carries On" will be the stereoptical slides, concerning the situation in China under the Japanese invasion now, to be shown at the Newark Presbyterian church Sunday evening at 7:30 p.m.

* * *

Congregational meetings will be held at the Newark and Centerville Presbyterian churches at the close of the services, Sunday morning, to consider the annual budget which the church officers have worked out for the coming year.

The members of both congregations, Newark and Centerville are planning to attend the great mass meeting at the Oakland auditorium Sunday afternoon at three o'clock, when the national Christian Mission will hold its first srvice. The Mission consists of a group of the outstanding Christian speakers of all the Protestant denominations in America.

They will be in the bay region Sunday, March 9, and Sunday, March 16 holding daily services and group meetings throughout the week. The speakers have been touring the country since the first of the year and have nearly reached the end of their journey.

NILES CONGREGATIONAL CHURCH

March 9, 1941
Second Sunday in Lent.
Church-school 9:45
Morning Worship and sermon-11:00
Young People's Meeting 7:00
Choir Rehearsals: Junior Choir, Thursday, 3:30.
Senior Choir, Thursday, 7:00
The second in the Lenten series of sermons on the Certainties of Jesus will be given Sunday morning, the topic for the day will be, The Christ In Whom Jesus Believed.

Christian Science Churches

"Man" will be the subject of the Lesson-Sermon Sunday, March 9, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Church News

The Golden Text will be: "Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is" (I John 3: 2). Other Bible citations will include: "And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The observation: Neither shall they say Lo here! or, lo there! for, behold, the kingdom of God is within you" (Luke 17: 20, 21).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick. Thus Jesus taught that the kingdom of God i s intact, universal, and that man is pure and holy" (p. 476).

LENTEN MISSION

CENTERVILLE — A special Lenten Mission will be held at the Holy Ghost church here beginning Sunday. Children will be received in the afternoon and the adult service will begin at 7:30 in the evening. The Mission will continue daily all next week in charge of Redemptorist Father McLary, it was announced here this week.

RELIGIOUS TREATS OFFERED CHURCH FOLK NEXT WEEK

OUTSTANDING SPEAKERS, MUSICIANS WILL PROVIDE INSPIRATION NEXT WEEK

OAKLAND — With the open-mass meeting of the National Christian Mission to be held Sunday, registrations and reservations are reaching mission headquarters here by the hundreds every day, according to Dr. W. Paul Reagor, general chairman, and pastor of the First Christian church of this city.

Dr. E. Stanley Jones, noted missionary of India and international evangelistic speaker, will be the keynoter of mission meetings here during the week of March 9 to 16 inclusive, it is announced. Dr. Jones' opening address, delivered at 3 o'clock Sunday afternoon of the 9th, is entitled "Is the Kingdom of God Realism?" It is believed that approximately 10,000 persons will be in the Oakland municipal auditorium arena to hear the address.

—Musical Features

An outstanding musical feature of the opening mass meeting has been arranged by Ward B. Kammerer of Piedmont, chairman of the music committee for the mission meetings, who will present the Orpheus Club, the Eastbay's oldest male chorus, a group of eighty-five voices. Directed by Mynard Jones, with Mildred Randolph Strand as accompanist, the club will sing "Nature's Adoration" by Beethoven, and "The Lord's Prayer" by Malotte.

According to Kammerer, musical features during the week of the mission will play a conspicuous part in all the meetings. Elizabeth Wood will be at the console of the organ, Miss Hilda Hirsch has been selected as daily pianist, and all community sings will be directed by Lyle Byrd, conductor of the Wildonians, an eighty-piece band which also take part in the programs.

Each afternoon, Monday the 10th through Friday the 14th, the National Christian Mission seminars will be conducted in the First Presbyterian Church of this city. Prominent speakers of the mission will address these gatherings.

The subject of world relations and the responsibility of the church will be discussed by Dr. Albert W. Palmer of Chicago, former pastor of the Plymouth Congregational church of this city, assisted by Dr. Theodore Hume of Claremont, Calif., and Bishop Ivan Lee Holt of Dallas, Texas. Dr. Stanley Hunter of Berkeley will preside over this seminar.

—Youth Activities

Discussions pertaining to youth activities will feature a two-day program in the Tenth Avenue Baptist church here on Friday and Saturday, the 14th and 15th. Dr. E. Stanley Jones will be he principal speaker at an all-denominational youth mass meeting on Friday evening. On Saturday a number of youth seminars will be held at which Muriel Lester, the "Jane Addams" of London, will be the principal speaker.

Intersession seminars will be conducted daily as well as Christian life forums and special clergy meetings, it is also announced. Arrangements have also been made for the maintenance of a nursery play school at the First Christian church for the period of the mission so that adults with small children may attend any of the mission meetings with complete freedom from care of the little folk, it was explained.

IRVINGTON COMMUNITY CHURCH

Arthur A. Kirk, Minister
Sunday School — 9:50 A. M.
Morning worship — 11:00 A. M.
Sermon subject: "Dead End Lives"
Text: "Believe on the Lord Jesus Christ and thou shalt be saved. and thy house." Acts, 16:31
Mr. O. Carleton Brown will sing a solo.
Christian Endeavor young peoples meet at 6:30 at Centerville.

CENTERVILLE C. E. HOLDS SUPPER PARTY

MISSION SAN JOSE — The C. E. of the Centerville church held their supper party at the church on Sunday evening with fourteen in attendance. The guests of honor were Mr. and Mrs. Arthur Kirk and Mr. Henry Adams of San Anselmo and Centerville and Mr. and Mrs. Harold Smith, advisors of the group. The others who attended were Dick and David Webster, Nancy Stark, Cleo Cooper, Nelle Warren and Mrs. Lois Justus and her family Elaine, Ruth and Bert.

The dinner consisted of vegetable soup, Italian spagetti and French bread, a green salad and Waldorf salad with jello topped with whipped cream and coconut cake. Each member was assigned a certain thing to bring and committees were appointed to serve and clean-up. The party broke up at 7:30 so some could go to the missionary talk at the Newark church.

Ninety per cent of new passenger cars have a wholesale price of less than $750.

Second Concert Ready March 14 At Hayward High

HAYWARD — Final chorus rehearsals are being held March 11 and 13 and last orchestra rehearsal March 12 for the second Southern Alameda County Musical association's concert to be given next Friday evening, March 14 at 8 o'clock in the Hayward High school.

Mr. Frank Mancini is the orchestra conductor and Mynard Jones, the new chorus director is bringing out 20 men from the Orpheus club to help sing with the chorus. The Amador choir from Pleasanton under the direction of Harry Tripp will also sing at the concert.

Mr. Marsden Argall, well known for his concert work throughout the Bay area, will be the guest soloist.

Tickets for the concert, which will last about an hour and a half are now on sale at Walton's Pharmacy in Niles and may be procured from Mr. Dwight Thornburg at Washington High school. The public is invited to enjoy this outstanding musical event.

SHOWER AT IRVINGTON

IRVINGTON — A shower was given for Mrs. Lyle Fisher on Saturday afternoon at the home of Mrs. Carl Mohn in Irvington. The large crowd attending enjoyed an afternoon of cards and the opening of many gifts. Refreshments were served to the following. Messers John Jorgenson, Morris Brewer, Myla Brewer, Emma Van Ike, Henry Weston, Laura Davis, Irma Wright, June De Knoop, Hannah Knudsen, Lena Roderick, Margaret Chadbourne, James Fisher, Wm. Foster, M. L. Van Ike, Lilly Robinson, Kate Scott, Elsie Soito, Arthur Kirt, Carl Mohn, Jane Iannicelli, George Scammon, Miss Martha Mack and Miss Elaine Thornburg.

PAUL TURNERS LEAVE

Mr. and Mrs. Paul Turner, who have been occupying Mrs. Marjorie Moore's home on Main street are expecting to move to Mountain View next week, so he can be near his new work at Los Altos. The Turners' many friends in Niles are sorry to see them go and wish them happiness in their new location.

TWELVE YEARS OLD

NEWARK — A birthday party was held at the home of Mr. and Mrs. Joe Calderia Friday, in honor of their daughter, Yvonne, who celebrated her twelfth birthday. Games were played, and refreshments were served. Many beautiful gifts were received. Her schoolmates present were: Loretta Calderia, Ernestine Silva, Betty Machado, Evelyn Santos, Bobby Brown Geraldine Fraga, Leonard Lyons, Ruth Pierce, Ruth Cotton, Loretta Pierce, Johnnie Faria, Doris Phippen, Ethyl Silva, Veverly Brown, Violet Machado, Joe Lopez, Marjorie Calderia, and Clifford Fields.

IRVINGTON Y. L. I. CLOSES ITS CHARTER

IRVINGTON — The Y. L. I. St. Jude Institute No. 163 held their social meeting on February 25 at the Leal's Hall in Irvington. After the general business meeting refreshments were served.

Ethel Smith was initiated as a new member. An Easter basket was made up to sell some time during Easter week to raise finances for the newly formed organizations social fund.

The charter of the organization was closed at a special meeting which was held at the home of President Mrs. Edward L. Rose on San Jose Avenue last Monday evening. The charter closed with thirty six members and with many new prospective members.

REBEKAHS TO MEET

The next regular meeting of Niles Lodge will be held this (Friday) evening at Odd Fellows Hall. A social hour will follow the business session, with Jennie Mohn, Martha Crane, Anna Bradford, Julia Cull and Catherine Parry in charge.

SOCIETY

COUNTRY CLUB PREPARES FOR HUSBANDS' NIGHT

CENTERVILLE — Members and guests of the Washington Township Country club enjoyed an address by a Mr. Gregg of a San Francisco furniture firm on the subject, Oriental Rugs, at their regular meeting held in their clubhouse here Tuesday afternoon.

Next Monday night the ladies entertain their husbands at a dinner to be served in the clubhouse, and on Wednesday and Thursday evenings, March 19 and 20 the club's drama group present a "Gay Nineties Revue" to which the public is invited.

KITE FLYING CONTEST SET FOR MARCH 28

IRVINGTON — On Friday, March 28, the Boosters Club of Irvington is sponsoring a kite contest at the Irvington Elementary school. Children of all grades are making kites with the hope of winning one of the many prizes which will be provided by the Boosters Club.

Prizes for both boys and girls will be offered for the following events: highest-flying kite, largest kite, smallest kite, first kite in the air, and the best made kite. The contest will begin at one o'clock, and the parents of the community are invited.

10 PERCENT ALLOWANCE OFFERED HOUSEWIVES FOR THEIR OLD STOVES

This year there's a silver lining to the cloud that hangs over so many homemakers — the cloud of preparing a thousand meals or more during the year.

That sliver lining is that any woman buying a new CP range between March 7 and March 15 will receive a ten percent allowance for her old stove — silver dollars to line that cloud.

And that isn't all — she will save much more than money in her time and energy during the coming summer months alone. Lovely long summer days that she can spend in recreation and relaxation, while her new CP range automatically turns on and cooks the dinner and has it ready for serving when she returns.

There's more silver lining, too, in the money it is possible to save with the super-efficient new "economy" burners that give so much more heat on less fuel.

And another silver lining is in the food savings possible. Inexpensive cuts of meat "slow roast" to juicy tenderness at a low temperature of 250 degrees. This reduces meat shrinkage waste by as much as 20 percent.

Also, automatic oven heat control takes guesswork out of cooking, eliminates baking failures — more silver lining savings.

At Niles the E. H. Frick Plumbing Company offers everything there is to be had in the line of super-modern gas ranges for the discriminating housewife. Their advertisement appears on this page

W. U. H. S. STUDENTS QUALIFY FOR HIGH SCHOLASTIC RATING

CENTERVILLE — Thirty-eight students have qualified for Spring membership in the Washington Chapter of the California Scholarship Federation. Among this list are 8 Seniors, 9 Juniors, 11 Sophomores, and 10 Freshmen.

The following is a list of members according to their classes.

FRESHMEN: Sumako Aikara, Yoshiko Ikeda, Sumi Kato, Toshiko Katsumoto, Sally Ann Mayock, Charlotta Untiedt, Lumiko Uchiyama, Ernest Tremblay, Lucille Raymond, and Adele Bertolotti.

SOPHOMORES: Mazie Asakawa, Evelyn Bettencourt, Gedaldine Bettencourt, Inez Fong, Yuriko Kumamoto, Jimmie Machida, Rose Stadler, Kiyoko Tate, Jimmie Toda, Thomas Nitta, and Ebba Rae Benbow.

SENIORS: Shirley Bertolotti, Rudy Brazil, Hatsuye Hayashi, Masako Ikeda, Riye Kawaguchi, Yuki Nakamura, Jim Uchiyama, and Mabel Nemoto.

ATTEND CARD PARTY

Mrs. Alice Bollock, district deputy president of District 53, and Mrs. Matilda Berns, noble grand of Pleasanton Rebekah Lodge, were among those attending the card party given by Niles Rebekah Lodge on Monday evening, March 3.

JAMES LUCAS NUNES

Mr. and Mrs. James Nunes of Centerville entertained friends on Sunday in honor of the christening of their infant son. The baby was named James Lucas Nunes with Mr. and Mrs. Alfred Cardoza of Irvington acting as god parents.

ENJOYS FINE RUN

(Special to the Register)

The Niles Theatre sure did a land office business on Gone With The Wind Wednesday and Thursday. An hour before the first show ing Wednesday afternoon patrons lined up nearly to the corner, wait ing for the box office to open. Manager Bill Helm is considering bringing the picture back again for a two day showing next month. Township school children who wished to attend the matinees were excused from classes.

SURPRISE PARTY

NEWARK—Mrs. Mary Calderia was given a surprise birthday party Saturday evening at her home by Mr. and Mrs. J. F. Perry. The evening was spent in playing games, and refreshments were served. Many beautiful gifts were received. Those present were Mr. and Mrs. Patrick Francis and family of Centerville; Mr. and Mrs. Anthony Perry, Mr. and Mrs. Manuel Perry Mr. and Mrs. Robert Calderia and family, Mr. Louis Perry and daughter Sylvia.

HOUSE WARMING GIVEN E. L. ROSES

IRVINGTON — Mr. and Mrs. Edward L. Rose were the surprised victims of a house warming given to them by the Get Together Club, on the evening of March 1. The evening was enjoyed in cards with refreshments following the presentation of a beautiful lace tablecloth to Mr. and Mrs. Rose.

Those attending were Mr. and Mrs. Joseph Perry, Mr. and Mrs. L. R. Frietas and daughter Dorothy, Mr. and Mrs. Manuel Soito and daughter Beverly, Mr. and Mrs. Lawrence Alberts, Mr. and Mrs. Leonard Perry, Mr. and Mrs. Carlos Fragus and Mr. A. E. Perry of San Francisco.

SHOWER WEDNESDAY

IRVINGTON — A shower was given at the home of Mrs. Marie Silveria on Wednesday evening for Mrs. Pearl Guardanapo of Newark. A very enjoyable evening was spent in cards by Ann Rose, Evelyn Peixoto, Elsie Soito, Irma Bond, Emma Dias, Mary T. Rose, Bertha Rose, Lucille Day, Evelyn Garcia, Ilene Monese, Bena Hirsch, Dorothy Mello, Esther Goularte, Mae Raymond, Mary P. Leal, Rose Bettencourt, Estelle Hirsch, Margaret Rose, Pearl Dargitz, Anna Silva, Marie Silveria and Evelyn Perry. Refreshments were enjoyed by the large group at midnight. Many beautiful gifts were received by Mrs. Guardanapo.

CENTERVILLE P. T. A. PLANS SPRING EVENTS

CENTERVILLE — The Centerville Elementary school Parent-Teachers' Association has planned a number of activities for the near future. Mrs. A. E. Rogers, president, has appointed the following committees.

Founders' Day meeting, Tuesday evening, March 25, at 8:00 o'clock, in the new Centerville Elementary school auditorium. Program and refreshments will be arranged by Mesdames Loren Marriott, George Pimental, Inez Silva, Edward Chamberlain, Teresa Ornellas.

Reception for Phoebe A. Hearst Council, Thursday, April 17, in the new auditorium. Program and lunch will be arranged by Mesdames Inez Silva, George Pimental, Evelyn Peixotto, Mercedes M. Brazil, Teresa Ornellas, Agnes Castro, Angie Bettencourt.

Annual card party, Wednesday evening, April 30, 8:00 o'clock in the new Centerville Elementary school auditorium. Arrangements will be made by Principal Thomas P. Maloney, Mesdames Agnes Castro, Aeresa Ornellas, Angie Bettencourt.

Mrs. George Pimental, membership chairman, reported that the enrollment for this year has equalled the record set last year.

The unit also honored Mrs. Isabel M. Coit, past president of the P. T. A. and present member of the board of trustees, by conferring upon her a life membership in the California Congress of Parents and Teachers.

The unit also decided to donate, for the beautiful new school auditorium, two large turquoise jardinieres.

A group of women of the Irvington P. T. A. attended the Phoebe A. Hurst Council of the California Parent-Teacher Association which held a tea and fashion show at the Burbank school in Hayward on March 4.

PERSONALLY SPEAKING

By: Your Editor.

HOLLOW — Russia, long silent, spoke to Bulgaria four times on Monday, the day after the nazi troops rolled in. What Russia said was "You should not have let them in. We refuse to help you now. You will have to take the consequences." And the same comments to Turkey.

Exactly what choice did Bulgaria have in resisting the over-bearing nazis? If Russia did not want the nazis in Bulgaria why didn't she say —or DO — something about it first?

Such profound pundits emanating from the government of a (once) first class power add up to just exactly 0.

Russia had no intention of aiding Bulgaria and evidently has no intention of backig up Turkey. Russia's sole consern is to keep war off her borders and save her own skin, regardless of her lesser neighbors.

It is all rather childish — and indecently hollow.

— ww —

ROTTEN — Ever since the civilized world read five years ago how County Galeazzo Ciano, son-in-law of Muscle-ini, safe in the cockpit of his armored plane, related what sport it was to swoop down and machine gun unarmed and helpless Ethiopians, civilized peoples have wondered just what facism has introduced into the Italian blood stream. .

Five years later we are told Monday over the radio that, for the second time Italian aviators have bombed the northern Greek city which was laid waste, and its 15,000 inhabitants rendered homeless by a major earthquake late last week.

If this be the Italian soldiers view of courage and manhood, God save the mark.

— ww —

RIGHT — All German-American are not pro-nazi, nor even interested in Adolph and his cruel dreams. A large group of these in the east recently organized the Congress of Democracy with the ex press intention of off-setting nazi propaganda in this country.

Very good — and may their numbers increase!

— ww —

SAVINGS — Government economists, wondering who is going to pay the cost of the re-armament bill, have discovered that We the People have 25 3-4 BILLION dollars lay around idle in cash savings accounts. . so, rather than borrow from banks, the government is con sidering selling us bonds, liberty savings stamps, etc., as in the last war.

The sum lying idle in savings banks will pay the ENTIRE armament bill. . Which brings up the question: to whom will the weapons, so bought and paid for, belong? — To the government, naturally.

Or: would you like a part interest in a nice, sea-going battleship? It would be nice for summer cruises, or maybe for (sh-h-h!) fishing trips. . Or how about a heavy tank rolled up your lawn for decoration? Or a nice, friendly TORPEDO for your children to play with?

All things considered, we'd druther keep our savings in cash, but when the devil drives, needs must.

—ww—

WEATHER — Whenever there's a war, the weather gets upset. There's a war overseas, and lots of rain here in California. Back in the winter of 1861-62, when the Civil War was getting into its bloody stride, San Francisco, of all places, received 25 INCHES of rainfall in the month of January alone. The city's seasonal total for that year was 47 inches, plus. . Mr. Bewley of the Masonic Home advises us.

Evidently our "unusual" weather will never be usual again.

—ww—

BROMIDE — 'Greeks Face War' shouted the headlines on Monday's city dalies. . . Exactly what, may one ask, has Greece been facing since the Mussol-men tried to invade that tight little country last October?

The Balkans are the sore spot for sufe now. . The puzzle is, whether England is going to take the initiative and attack the Huns in Bulgaria, or just park lots of men and guns around Saloniki, and wait. . Hitler can only stand just so much waiting. . then he takes the war to the enemy; only this time he doesn't want war on two fronts.

So — "all may be quiet on the eastern front" — but not for long.

—ww—

DOUBTFUL — Do they mean it? Just after the Snatchis rolled into Bulgaria Hitler sent the gentlest assurances to Turkey that Germany had "no idea", not even the littlest idea of invading or making war upon Turkey. The Turks were so delighted!

Simultaneously the Japanese sent similar assurances to England that Japan had no intention of mak ing passes at any of England's possessions in the far east, like Singapore or Hong Kong.

Well the velvet fist still reaches out. In the light of broken pledges in the past, these "assurances" should read: you just keep still and be good bird dogs until we can get to you and polish you off right.

So Turkey properly rushes half a million soldiers to her frontiers, solidifies her relationship with embattled Greece and England, and keeps her powder dry.

. . When reports of Russia's objections to Germany occupying Bulgaria reached Berlin, qualified spokesmen shrugged it off with, "What Russia says is really of no consequence."

Just like that! Nize pipple, these nazis.

FENDERS OF RUBBER

Molded rubber fenders are coming into increasing use on trucks and busses in Angland, partly as a reult of the blackout, reports the California State Automobile Association. Because of increasing collisions on darkened thoroughfares, fleet operators are turning to rubber fenders that straighten out after being hit. Another point is that the substitution releases that much more steel for war uses.

KALTENBORN SAYS IT IS MORE SERIOUS THAN WE THINK

H. V. Kaltenborn, who has recently been commissioned by N. B. C. to make a complete analysis of the situation arising out of the Nazi-Japanese diplomatic moves, will discuss for the first time his findings in his lecture at the Opera Hourse in San Francisco, this Friday evening, March 7 at 8:30 p.m. Kaltenborn maintains that the situation is critical and more serious than most people think and that its effect on American future, especially that of the Pacific Coast, is of vast and vital importance.

However, Kaltenborn does not stop here. He has spent hours and days in collecting data on world affairs and keeping it up to date so that his lecture will be based on up-to-the-minute facts on situations developing in Europe, the Orient and America.

Dr. Rappaport of San Francisco's Town Hall is sponsoring this special lecture which is aside from the regular Town Hall series given every Tuesday morning at the Curran Theatre. Another important event booked by Dr. Rappaport is Dorothy Thompson, who will lecture at the Opera House on Wednesday night, March 26. Tickets for both events are on sale at Sherman Clay in San Francisco, EXbrook 8585.

Mr. Walter Waynflete
Township Register
Niles, California

Dear Mr. Waynflete:

I would like to take this opportunity to thank you personally, and to pass on to you many fine comments which I have heard regarding the splendid cooperation you and your paper gave us in publicizing the work of Scouting during our Boy Scout Anniversary Week earlier this month.

We do appreciate the year around cooperation also, and we fully realize how much this newspaper publicity helps in the success of our work.

Yours very truly,
John Lee Wilbur, Chairman
Southern Division
Oakland Area Council
Boy Scouts of America

United States Department of Agriculture

The Editor
The Township Register
Niles, California

Dear Sir:

We wish to thank you for sending us the February 21 issue of The Township Register containing the article entitled "Three Counties Start Sharing in Benefits of Federal Food Stamp Plan."

Please accept our sincere appreciation for your very helpful cooperation in publicizing the opening of the Food Stamp Plan in the Bay Area Counties.

Very truly yours,
Harold H. Patterson
Information Specialist

IRVINGTON PUPILS FOUND FREE OF T. B.

IRVINGTON — Under the direction of Dr. I. O. Church, County Health Officer, the children of the Irvington Elementary School were given tuberculin tests last month. The tests were administered by Dr. Kirber, assisted by E. P. Van Allmen. Monday February 10 the children of the entire school were given skin test and on Wednesday of the same week, a follow up test of the same type was given. Wednesday, Thursday and Friday fluouroscopic tests were given.

The results proved that there were no active cases of tuberculosis in the school. The tests proved very beneficial from a health standpoint and proved medical information which will be of value in the future.

KERN COUNTY WILDFLOWERS

Earlier than in many years, wildflowers are blooming in abundance in many sections of lower San Joaquin Valley, states the Bakersfield Office of the National Automobile Club. The Edison oil fields show color and there is plumed lupine in the flower sanctuary set aside by the General Petroleum Co., in the Knapp area, east of the packing house. By the first week of March it is expected that the floor of the Valley will be in full bloom. A booklet of Kern County wildflowers, which will enable interested persons to identify the most common variety, is available at Bakersfield newstands and at the Chamber of Commerce. It contains 53 colored photos and descriptions of all flowers common to the area.

Pacific Fruit Express is purchasing 1,000 new refrigerator railroad cars, and reconstructing 3,000 others of its present fleet.

NILES LOCALS

Mr. and Mrs. A. J. Petsche returned to their Niles home last Friday evening after spending nearly a week with his mother in Bisbee, Arizona. The lady, aged 66, pulled safely through a double major operation. The Petsches encountered storms all the way to Arizona and back.

Stewart McClure of Mission San Jose, who has represented a San Jose newspaper in Washington Township for the past year, was called to work last week as farm and garden editor of the Mercury-Herald in San Jose.

The Niles Girl Scout troop put on troop formation exercises before the meeting of the Niles P. T. A. held Tuesday afternoon beginning at 2 o'clock in the Niles Elementary school.

The new rural Alameda County telephone books dated March 1941 were received locally promptly on the first of March. They are published by the Pacific Telephone and Telegraph Co.

Al Silveria of Mission San Jose and George Rodriques of Centerville have purchased a Luscomb training plane which they keep at the San Jose airport. The ship is powered with a 65 horsepower motor and has a cruising speed of 104 miles per hour and a top speed of 115 miles. Silveria is a student pilot.

A seven pound, fourteen ounce son was born on February 13 in the Stanford Hospital to Mr. and Mrs. James R. Meek, which makes Mr. and Mrs. L. R. Dray of the Palms Auto court, a grandfather and a grandmother. The lad has been named James Robert Meek.

Charles M. Holden of Niles, who went as a volunteer with the last draft contingent from Niles, has been ordered to a New Jersey station for training according to word received here.

The Niles Rotary club, scheduled to inspect their model home in Old Adobe Village yesterday afternoon, are expected to make their visit next Thursday after their luncheon meeting instead, because of the recent wet weather and mud dy grounds.

The S. E. S. No. 8 of Newark announce its sixth annual Easter Ball will be held in the Newark Pavilion Saturday night, April 12, the night before Easter.

The Niles Rotary club enjoyed a motion picture after their luncheon at the Hotel Belvoir yesterday noon, showing the Harvesting of Western Pine. George Bonde, local lumberman, was chairman of the day.

Oil sprays tend to increase the amount and severity of granulation in Valencia oranges, according to the University of California Citrus Experiment Station.

MASONIC HOME NEWS

By J. H. HEATH

DECOTO—"Dead line" for copy in this week's issue of the Township Register is here again with no official word from the trustees regarding the selection of a Superintendent for the Masonic home. Naturally home folks are anxious to see the new executive. During the week the home has been visited by President C. M. Wollenberg and Assistant Secretary, H. D. Oliphant of the board of trustees. Mr. Wollenberg was accompanied by a man who may have been an applicant. Meanwhile every thing is pleasant on the masonic hilltop. And most of the 350 members of the home family are glad to be so well taken care of without going out in the rain.

* * *

In response to considerable inquiry from friends in various sections of the California masonic jurisdiction the committee in charge of the contest for the finding of a name for the tramp dog mascot, recently officially adopted, is held up till such time as the pup quits taking on poundage so that measurement around the neck reaches the peak and a collar to fit can be secured. The old saw about "living on the fat of the land" applies to the home mascot.

* * *

The Sunday afternoon devotional service was conducted by Miss Lamb's Christian Endeavor Society of Decoto. Rev. E. Kinman was the speaker. Musical numbers were rendered by the younger children of the mission.

* * *

A recent arrival at the home includes a former member of the Royal Canadian Mounted Police, Harry K. Sargent, Past Master of James Madison lodge No. 572 Los Angeles. It has been forty years since Mr. Sargent was in the famous organization, which. according to common report, "never fails to get its man". The balance of his active life has been spent as an attorney in Portland, Oregon, and Los Angeles. Incidentally, while residing in the southern metropolis, he was a member of the de luxe masonic organization known as the "233 club", his particular stunt being the giving of the lecture in the third degree.

* * *

In his visit to the home, Assitant Grand Secretary H. D. Oliphant was accompanied by his wife who enjoyed a visit with Mrs. Camelia Kimball, whose residence here is sponsored by San Francisco lodge, No. 360, of which Mr. Oliphant is a Past Master and the present secretary. Mr. Oliphant's errand to the home related to matters concerning grand lodge and board of homes trustees.

Reporter Heath states that all of the recent issue of 500 folders containing a summary of the passing of Superintendent Hartman has been distributed. First consideration was given to the members of the home, and the remaining folders were sent to all sections of the domain. Many were directed to the masters of lodges and heads of Masonic organizations.

Looked for a time that the home would, indirectly, have a representative in the army, but one of the paid employees has returend to his work here having failed to pass the acid test of the physical examining boards.

ELDERLY COUPLE WED IN RENO

DECOTO — Word was received by friends at the Masonic Home this week of the marriage in Reno on February 19 of a popular Home couple, Captain William H. Brittain, 82, and Mrs. Lottie Cassidy, 80. The couple visited the former Mrs. Cassidy's sister in Oakland whence they left for Reno.

The happiness of the wedding day was marred when the Captain strained his side while raising a hotel window, developing a strangulation hernia. An operation was performed at 3 a.m. on February 20 and the Captain is still in the hospital, while making a satisfactory recovery. They planned to return to Oakland yesterday to rest a few days, thence to the Home here, where a royal welcome awaits them.

Captain Brittain, a former sea captain, entered the Home from San Diego on June 14 of last year. The new Mrs. Brittain, widow of a former supervisor of San Diego county, moved into the Home on May 30, 1933. The Captain has several married children and a number of grand-children.

KRAFTILE PREPARES FOR 1941 SOFTBALL

Last Monday the prospective ball team met in the Club Room and got under way by electing Dave Janeiro, manager and Duke Dutra, captain.

Present also and signifying their intention of playing were Al King, Ernie Silva, Ted Janeiro, Cliff Watkins and Joe Janeiro. With half a team already assured the boys were sufficiently sure of the prospects that they voted the $2 deposit idea unnecessary.

The meeting was also attended by Jeff Russell and Chuck Kraft.

Like a good manager should, Dave immediately went to work plugging the weak spots and can already announce success. Pete Lemos with Gilmore Fabricators last year has "signed on" as pitcher or whatever, and Dave also has his eye on another pitcher prospect.

With those prospects among our own men who were not at work the day of the meeting plus candidates for the team from the outside, we don't have far to go to complete the squad.

And don't get the idea that it will not be up to the standard of last year's team!

A chartered bus took the 35 selectees of Niles Draft Board No. 75 to San Francisco February 21 to report at the induction station for a year's Army training. —Tribune photo.

ATOM SMASHER DESCRIBED AT ROTARY LUNCH

UNIQUE GADGET CAN PRODUCE UNKNOWN ELEMENTS, DOCTOR SAYS

A description of the function of the cyclotron, the 290 ton atom smasher located at the University of California was plainly stated in laymen's words to the members and guests of the Niles Rotary club at their luncheon meeting held a week ago Thursday noon in the Hotel Belvoir.

The address was given by Dr. George A. Pettitt, assistant to the president of the state university, and was also enjoyed by about 25 members of the Township Business and Professional Women's club, who were guests.

The big instrument, with its enormous electrical discharge can transmute one element into another, can create synthetic radium and radio-active phosphorus, the latter now being used with apparant success in treating victims of Leukoemia, a blood disorder. The electro-chemical products of the big machine are now being used to check the advance of cancer, although from five to ten years must pass before definite cures can be announced, he said.

—Earns Nobel Prize

The cyclotron, of which there are now two at the state university, was awarded a Nobel prize, with $40,000 check attached, for its inventor, Dr. Ernest Orlando Lawrence, representing the first time this award has been made to a member of the faculty of a state university.

Tracing scientists' search for the least divisible unit of matter since the turn of the century, Dr. Pettitt started with the discovery of the atom and the invention of the x-ray; proceeded to the discovery of radium, (which still sells for $25,000 per gram). Then to the electron, isolated by Joseph Thompson, then the negative electron or proton, discovered by an English physicist named Rutherford.

Then came the nuclei, or core of hydrogen gas; lastly the cyclotron, which creates unknown kinds of matter, all synthetic, radio-active elements. When a positive electron mixes with a positive proton, both discharge, resulting in a negative unit of energy called a neutron. The latter are proving useful in treating cancer, he said.

—Bigger and Better

A newer and larger cyclotron, to weigh 4,900 tons is now planned he said, and the cost of $1,250,000 is nearly all subscribed. The government has classed this experimental machine as a national defense project, he finished. The speaker was introduced by E. D. Bristow, chairman of the day.

President George Smith announced the district convention would be held from May 11 to 14, and that Tom J. Davis of Butte, Montana had been nominated as international president.

Night School Principal Barton Webb asked for assistance with a chorus which will sing at the Americanization Pageant to be held at Washington High School on May 23.

A "fine" time was had by many of the members (at two-bits a throw) with Rotarian Ed Enos acting as collector which is the custom.

PLAY CENTER MOVES TO NEW QUARTERS: CHILDREN WANTED

CENTERVILLE — The Centerville Pre-School Play Center moved to new quarters in the primary building of the Centerville Elementary School on Monday, March 3.

Arrangements were made through the cooperation of the Centerville Board of Trustees, Mr. Manuel Oliveira, president, Judge Allan Walton, vice-chairman; Mrs. M. Coit, trustee, and the following play center officers.

Mrs. L. E. Bailey, chairman; Mrs. Allen Walton, vice-chairman; Mrs. Everett Chamberlain, secretary; Mrs. La Von Sorenson, treasurer; Mrs. Ed. Vierra, assistant treasurer; Mrs. Lawrence George, publicity chairman; Mrs. Jack Kleine, equipment chairman; Mrs. Hubert Castro, purchasing chairman; Mrs. Allen G. Norris, hostess chairman, and Mrs. Hardy and Miss Decker, directors.

Twenty-three children between the ages of three and five and a half years of age are now enrolled. However, there are places for a few more children and any parents who wish to enroll their children should contact the secretary, Mrs. Everett Camberlain, or one of the officers listed above. The children stay at the play center from nine to twelve o'clock daily.

Friends of Mrs. Mamie Deflon were sorry to hear that her condition has not improved since she was taken to the Hayward Hospital several days ago. A very speedy recovery is wished by her many friends.

RED CROSS HERE ORGANIZES FOR DISASTER RELIEF

MANY COMMITTEES NAMED TO COPE WITH POSSIBLE FUTURE EMERGENCIES

CENTERVILLE — The survey and planning committee of the disaster relief of American Red Cross met at the home of Chairman F. T. Dusterberry Wednesday evening February 26 and completed organization by appointment of the following additional committees. As organization progresses other committees may be appointed and names added to present committees.

Survey and Planning: F. T. Dusterberry, Charles Gillespie, John E. Dutra, M. P. Mathiesen, Roland Bendel;

Doctors, Nurses and Medicine: Charles Gillespie, Edna Ebright, Mr. Holeman, Dr. McWhirter, Dr. Westphal, Dr. Grau, Dr. Grimmer, Dallas Paul, Allen Walton, Thos Berge;

Law and Order — American Legion: John E. Dutra, George Smith, Randolph Griffin, Arthur W Cotton, Frank Veit, Jos. S. Brown, Dale Crithers, Jack Vieux;

Transportation: George Bonde, Joe Adams, John Santos, R. Brunelli, Joe Pashote, Clarence Crane;

Finance: F. T. Dusterberry, L. C. Marriott, Robert Blacow, Carl Christensen, Earl Helwig, H. B. White;

Communications — Boy Scouts: Wm. Lindsay, Thomas Silva, O. W. Ebright, and all scout Masters;

Food: M. D. Silva, Joe Shepard, L. H. Bailey, Jos. Bauhofer, Ben. Murphy, Jos. Silveira;

Fire: Roland Bendel, Frank Madruga, Joe Corey, Mat. Whitfield, A. Alves, Joe Pashote;

Public Utilities: Ed. Richmond, E. F. Glassbrook, A. J. Petsche, Harry Weber, Roy Robinson;

Clothing: Chas. Wauhab, Mrs. F. J. Jones and Committees from Country Club of Washington Township, American Legion Auxiliary, Blub Bird Club, Child Welfare Club.

The chairmen of the various commitees form the liaison group.

ISOLATIONISTS ARE ANTE-DELUVIAN

Senators Wheeler, Nye, Johnson etc., efforts to block or at least delay the passage of the ask-give Aid-to-Britain bill is as absurd as Madame Housewife planning a bridge party for next week when her house is afire. The aforesaid reactionaries are quite safe and comfortable in America today . . but what about a year from today?

We have already written off and donated to Britian and to what was once France, the billions in war loans owing us from the last war. These debts can be charged up to America's effort to keep civilization, its peoples, its churches, and its press, free.

While England is spilling the blood of her manhood, these senators object even to our manufacturing and selling goods — probably at a profit. A little dose of the uniform, shooting and being shot at, would bring these foolish orators down to earth.

* * * *

Delving into history, it appears that Senator Hiram Johnson, the late Senators Lodge and Borah, are almost entirely responsible for the fact Hitler rose to power without being checked, and has now embarked upon the most damaging war which has ever been waged upon this tired old earth.

And why are these pompous gentlemen responsible? Back in 1918-19, when Wilson's prophetic dream of a League of Nations was hatched, and was eagerly seized upon by 46 European and Asiatic nations, all sick of war and its destructive horrors, We, the United States, who then held the balance of international power, and we still hold it — were inveigled out of joining the League.

So . . time went on. In 1933 the first test of the League came when Japan embarked on its peace-with-a-sword crusade against China. The League did a lot of blustering, but failed to send fleets from England, France, Germany, Russia, Italy etc., to tell Japan "Skat!" "You are doing the very thing you joined the League and pledged yourselves not to do."

Japan got away with it, so lantern-jawed Mussolini in 1935 conceived the bright idea of conquering Ethiopia, the oldest kingdom on earth — but without declaring war on it. Again navies should have been despatched to blockade Italy and enforce the League's ultimatum to mind her own business. Instead, economic sanctions were invoked, which amounted to little or nothing, so Italy went right on and conquered Ethiopia.

Had the late-unlamented League established these precedents **by force.** Hitler would not have dared to seize the Ruhr Valley, which started his ascension to grasping power. Armies from England, France, etc., should have marched in to the Ruhr and told Adolph to "beat it."

When it was discovered as far back as seven years ago that the nazi were building airplanes and re-arming in violation of the Treaty of Versailles, military and naval force should have been used then and there, to keep him in line. . .

* * * *

All these "ifs" and "buts" are bitter medicine now. Had the United States, with its clear vision and economic power, seen fit to join with and support the brain-child of its own visionary president, we would still be at peace today, and Mussolini, Hitler and the Japanese military clique could be securing their wanted "lebesraum" BY PURCHASE, instead of by conquest. Purchase costs a lot less than the daily expense of this vast, aimless war . . not to mention the saving of blood, suffering, and national integrity.

It isn't a pretty picture. Senator Johnson does not seem to have learned anything from the record of the past 20 years . . Now we, and the rest of the world, stand on the brink of the worst social chasm mankind has ever faced . . and still the blind isolationists at Washington are attempting to delay and impede the inevitable.

Inevitably we must aid England now, all-out, while there remains a doughty England to aid. If we dont — and that is inconceivable — our number comes up next, whereupon everything our United States have suffered and fought and bled and built for during the past two centuries of civilization's advance — will have to be exposed to the ruthlessness of godless dictators.

It doesn't make sense, yet it is occurring here and now in your and my lifetime . . I'd sooner be a sergeant overseas (as I was in the last war) than to be Senator Johnson, Wheeler or Nye.

When you are faced with a major emergency there is no time to trifle or temporize.

"You cant paint pictures while you're swimming the Golden Gate." Civilization now has a spiritual Hellenspont to cross and cross it we must, regardless of our bridge date next Friday evening, or what-shall-we-have-for-dinner Sunday?

As Thomas Paine wrote in his Age of Reason when the American Revolution had bogged down for want of money and inspiration: "These are the times that try men's souls . ." George Washington picked it up from there, and we are the latter-day beneficiaries of these words.

COMMONWEALTH CLUB URGES JAPANESE EMBARGO

SAN FRANCISCO — An immediate embargo on United States trade with Japan in military supplies, oil, automotive equipment, or "any products which would benefit the Japanese economy", including imports of raw silk and cotton manufactures, was urged today by the Commonwealth Club of California.

The Club opposed renewal of the Japanese trade treaty at this time, but favored its renewal "when desirable in the opinion of the State Department", and favored "entering into a reciprocal trade agreement with Japan following cessation of hostilities".

The Club also favored the policy of loans and sale of military supplies to China.

In the other half of a double barreled ballot of the Club's membership completed today, the Club endorsed a plan for county administration of unemployment relief and other welfare services, with state supervision and joint state-county financing.

Prior to the Club's vote, pro-and-con reports on both subjects were published and mailed to all Club members. The report on trade with Japan followed a year-long study by the Pacific Ocean Commerce Section, while the report on relief was the result of a year's study by the Section o n Municipal and County Government.

GOOD NEWS FOR TAXPAYERS!

State Controller Harry B. Riley announced in Sacramento today that California's financial condition is fast returning to normal. The State is continuing to spend less than it makes, Riley said; its revenues are greater and its expenditures less this year than last.

The general fund cash deficiency, the Controller said, dropped to $77,644,433 at the end o f January, a decrease of $1,015,259 below that of a year ago. In the seven months up to the first of this month the State spent $4,954,029 less than it made, Riley reported.

Its income totaled $100,044,146, an increase of $10,047,362 over that of the first seven months of 1939-40. Its expenditures dropped $18,128,260 to a net of $95,090,117 for the seven-month period just ended.

Major item of increased revenue was a jump of $8,705,448 in sales tax returns. A continued reduction in the unemployment relief case load resulted in a $13,888,557 cut in relief costs, Controller Riley said.

CHALLENGING CHURCH PEOPLE

Outstanding religious leaders have been brought to Oakland at considerable expense to try and arouse Christians to the religious significance of these remarkable times. Starting Sunday at the Oakland Auditorium there will be daily meetings and seminars for young and old, touching on all departments of church and religious life.

Township church people should make it a point to attend one or more of the forthcoming exercises, a full list of which, for each day of next week, appears on the front page of this issue.

As a whole, we church people are too lazy. Our modern way of living makes us comfortable and flabby. Our easy times do not require us to practice self-denial, and we dont know what actual want or suffering are.

For all which reasons, we should seize this opportunity to get "stirred up inside", with the object of making the Christian faith a militant, telling force. Dont forget: our United States is the last stronghold of religious freedom. We have 485 different creeds and cults active in our country, but they all aspire to the same goal: God. DO your part! —W.W.

ONLY COSTS THREE CENTS!

Add: Curiosities of Human Nature . . why should good customers of The Good Shippe Register delay paying their bills until they can deliver a check at this office in person?

For a 3c stamp (or 1c if mailed in the Niles Postoffice) one can send checks by mail . . Next to a safe deposit box in a bank a rented mail box in any United States Postoffice is just about the safest place there is.

Uncle Sam takes very good care of his nephews' and nieces' first class mail . . In 12 years of running my own newspapers I only recollect one case where a check went astray. Payment was stopped on the lost check, another one was drawn, so no money was lost.

Our daily mail is the life of this business, containing as it usually does - **checks!** —W.W.

STATE REPORTS LARGEST INCOME IN ITS HISTORY

SACRAMENTO — State Controller Harry B. Riley today announced that California took in $269,594,616 in the fiscal year which ended last June 30th, the largest annual income in the history of the state.

In a statement detailing all revenue for the past two fiscal years, Controller Riley revealed that revenue for the year which ended last June 30th was 15,607,258 greater than the previous record of $253,987,358 for the 1938-39 period.

The total revenue of $269,594,616 for the last fiscal year represents income to the state from all sources including special funds. The average monthly income was $22,466,209.

Cost of state government in 1939 1940 totaled $289,823,242, Controller Riley said.

TOO FRESH

Innocent: "What is "college bred"?!!

Cynic: A four-year loaf made with father's dough.

The Hatchet.

Mr. Business Man
DO YOU OPERATE UNDER A
FICTITIOUS FIRM NAME?

If so have you complied with the requirements of Section 2466 of the Civil Code which says: — **"Every person and every partnership transacting business.....under a fictitious firm name.....must file.....a certificate stating the name in full and the place of residence of such person and the members of such partnership"** —Such certificate must be published once a week for four consecutive weeks.

If you have neglected this procedure, do you realize that the name of your firm is not protected, and that you are not entitled to maintain suits for collection, or other purposes in the courts of the State of California?

FOR YOUR PROTECTION

Take care of this important matter NOW by having THE TOWNSHIP REGISTER publish the certificate.

FOR COMPLETE INFORMATION, CONSULT YOUR ATTORNEY

FARMERS URGED TO TRY GROWING GUAYULE RUBBER

SALINAS — The farmers of California can save this nation if we should go to war in the Orient", Colonel Ralph L. Hughes, chairman of the national defense comittee stated today. "In case of such a war", Hughes said, "It would immediately result in shutting off rubber, and with less than a six months' supply on hand would necessitate the early comandeering of most of that amount by the government, for war vehicles. The loss of rubber tires for civilian usage would throw our entire coun try out of gear.

"The farmers of California can save this situation by growing guayule rubber. It has been successfully grown in many counties. From the best figures I am able to obtain". Hughes continued. "it costs about 20c per pound to produce 320 pounds per acre, the average annual yield. The present price of rubber is 20c per pound which leaves nothing for profit and there is nothing to gaurantee that the price will be 20c at harvest time."

Hughes proposes that the govern ment take part of the $100,000,000 appropriated to develop synthetic rubber and guarantee to the farmer a price of say 25c per pound which would cover his costs plus a fair profit. Hughes ventures to pro phesy that if war does come, the price of rubber again will reach $1.00 per pound as it did in the last emergency. Because of the bulk of the product at harvest, the cost of transportation would necssitate the construction of small factories in each community where rubber is grown, thereby benefitting the laborer as well as the farmer.

Hughes urges that everyone write to President Roo velt and their congressmen to go to Salinas and see the process of harvesting and milling the rubber which is now being manufactured at that place, where 6,000 acres have been successfully grown.

Forty per cent of all automobile factory workers are forty years of age or over.

DEDICATION READY SUNDAY AT CENTERVILLE

EXERCISES BEGIN AT 2 O'CLOCK AT MODERN ELEMENTARY SCHOOL

The new Centerville Elementary School will be dedicated on Sunday afternoon, March 9, at 2:00 o'clock. Formal dedication exercises will be conducted by the Grand Officers of the Native Sons of the Golden West who will install a bronze dedication placque. A program will follow in the beautiful new auditorium.

The general public is cordially invited to be present for the dedication exercises, and also to inspect the new school plant which embodies all the latest approved ideas in schoolhouse building. The building has a spacious auditorium, six beatiful classrooms, a restful teachers' room, a spendid health room, a new library which is large enough to accomodate an entire class, principal's office, stock room, and well lighted new lavatories.

The old primary building, which houses a cafeteria, a primary class, and a room for the play center, will be renovated this summer and will be tied onto the new building, thus completing the construction. The complete edifice will be a tribute to the untiring efforts and wise planning on the part of the Centerville Board of Trustees which is composed of Manuel Oliveira, president, Judge Allen G. Norris, clerk, and Mrs. Isabel M. Coit, trustee.

Among the honored guests will be the Centerville board of trustees, and Thomas P. Maloney, school principal, Edgar E. Muller, County Superintendent of Schools, Birge and David Clark, Architects, Manuel White building supervisor, George Hellwig, supervisor, Captain L. A. Eike, California Highway Patrol, Mrs. Hazel Hansen, Grand President of the Native Daughters of the Golden West and Henry S. Lyon, Grand President of the Native Sons of the Golden West.

The program for the afternoon follows:

Dedicatory ceremony and installation of bronze plaque, Grand Officers of the Native sons of the Golden West;

Selections by Orchestra and Rhythm Band;

Address, Mrs. Hazel Hansen, Grand President of the Native Daughters of the Golden West.

Duets, by Beth King, saxophone and Shirley Marriott, clarinet accompanied by Vivian Gonsalves and Vivian Rose.

Remarks, Mr. Edgar E. Muller, County Superintendent of Schools.

Trumpet solos by Arthur Thomas accompanied by Vivian Rose.

Vocal solo, "God Bless America" by Rosie Reichmuth;

Report of Board of Trustees, Judge Allen G. Norris, Clerk;

Selections by Orchestra;

Address, Henry S. Lyon, Grand President of the Native Sons of the Golden West;

"Star Spangled Banner" (first verse) by assemblage.

POO! POO!

Barber: Do you wish a shampoo, sir?

Customer: No, sive me a genuine poo or none at all.

AN OUTSTANDING CALIFORNIA EVENT OPENS SATURDAY

This year's visitors to the Tenth Annual Outdoor Bulb Show in the Gardens of the California Nursery Company are expected to outnumber the 50,000 persons from all over the State who attended last year. Opening this Saturday, the Bulb Show continues through the middle of April with early California singers appearing on weekends at "Old Adobe", historic guest house in the grounds.

ADULTS URGED TO GET BIRTH CERTIFICATES

CONGRESS MAY MAKE COMPULSORY THE OWNING OF SUCH DOCUMENTS

Adults, both men and women, who for various reasons may not possess a birth certificate may and should make out a certain affidavit form now available, Adjutant Frank Veit announced at the last meeting of Washington Township Post, American Legion, held at Niles.

The State of Pennsylvania made the owning of a birth certificate compulsory in 1900, California made the filing of birth certificates compulsory pursuant to an act of the Legislature in 1915, Veit said. He announced at the recent meeting that he expects congress to make the possession of a birth certificate mandatory at an early date, in order to establish definitely who are American-born citizens and who are not.

The form which may be secured from Mr. Veit, who is a reporter in the superior courts at Oakland, requires witnessing by any blood relative, even as distant as an aunt. These affidavits already have been accepted by the county courts, he said.

Sons of Legion Advisor Manuel Brazil announced the Sons are tentatively planning a dinner for themselves on Thursday evening, March 13, to be cooked by the Women's Auxiliary.

Comrade E. D. Bristow, chairman of the Post's Americanism committee drew attention to the Americanization Pageant to be held in the Washington High school gymnasium on May 23. He proposed that the Post's Americanism committee lead the way in cooperating with high school authorities on this undertaking.

With the statement that "the way to kill a germ is to expose it to the light" Comrade Jack Vieux, chairman of the Post's subversive activities committee, suggested that the Post work with the High school night school in providing a Township-wide meeting to hear an outstanding speaker like an F.B.I. official speak on subversive activities and what to do about them.

Miss Lida Francis, Miss Julia Ruschin, L. R. Burdick, James Graham and George Stratton attended a luncheon of the Rotary Club held at the Hotel Belvoir in Niles last Thursday at which the business and professional women of the township were guests of the Rotarians.

DRIVERS BEHOLD FLOOD WATERS IN ALAMEDA CREEK

Alameda Creek has been booming the past week or two. A roily brown flood tears down the watercourse from Sunol below Niles, coming close to the canyon highway in places.

Between showers on Sunday numbers of cars stopped at the dam a mile up the canyon to watch the force of the flood run over the dam, setting up waves two feet high in the backwash below the dam.

At Joyland a low bridge, used by cars in dry weather, was still standing although flood waters a foot deep were pouring over it.

Many cars made the trip up the Calaveras Dam road to see where the airplane crashed and caught fire ten days ago; and to see the Calaveras reservoir full to the brim, its runoff charging through the spillway at an estimated speed of 30 miles an hour.

SOFTBALL ASSOCIATION TO ORGANIZE MONDAY FOR 1941 SEASON

CENTERVILLE — Managers of the various teams which last year played in the Washington Township Softpall league are called to meet this Monday evening at 7:30 o'clock at Washington Union High school, Manager Al Silveria announces.

All teams desiring to play this season must have a representative present. April 12 will be the deadline for entering teams for the 1941 schedule of games.

Gasoline for the average motor vehicle cost $135.75 in 1939, of which 41 percent was due to gasoline taxes.

WEATHER DELAYS OPENING OF MODEL HOME HERE

Our forty-day wet spell has obliged the Old Adobe Village management to postpone the public opening of the Rotary Model Home, scheduled for this Saturday, Manager George C. Roeding Jr., announces.

The grounds around the new home are so wet the public would find it undesirable to inspect the premises, particularly if the rains continue this week, he says. The invitation for the Niles Rotary Club to visit the home after their luncheon meeting yesterday noon, was also contingent upon the weather.

Announcement of the formal opening of the model home will be carried in this newspaper just as soon as pleasant weather arrives.

NILES DEPARTMENT QUELLS SPECTACULAR FIRE AT STEEL MILL

A spectacular fire broke out at the Pacific States Steel foundry northwest of Niles Monday evening when a giant magnet shorted in a receptacle filled with molten iron, scattering the fiery stuff all over the inside of the building. The Niles Fire department answered the call and kept the building safe.

It will take two months to repair the magnet, according to report.

C. W. Craft had Walter Waynflete as his guest at last Thursday's luncheon meeting of the Niles Rotary club at the Hotel Belvoir.
